LIFE IN PRISON FOR NEGRO KILLER

UNHAPPY FARM GIRL ENDS LIFE

ESTRANGEMENT OF SWEETHEART IN LOVE TRIANGLE CAUSE OF ACT

Holding a note with her left hand pressed close to her heart in which she had detailed the ending of an unhappy love affair, Lidie Salach, 21, was found dead in a room of the farm home near North Elm Monday morning about sunrise.

She had been shot one time through the center of the forehead with a 38 calibre pistol found by her side. The bullet passed entirely through the head, struck a wall and fell back at her feet. Her mother hearing the shot, ran to the room and found her daughter dead.

An inquest was held by Judge O. C. Nolte of Ben Arnold, justice of peace for Precinct 7. He rendered a verdict of suicide. Deputy Sheriff Vaughn and an ambulance from the Coleman-Eplen Undertaking firm went to the home to investigate and return the body here.

Miss Salach, it is said, took her life because she could not bear the disappointment of a breach of friendship with another girl and abuse directed at her by her lover some two weeks ago when he went to a Cameron home under the influence of liquor. In the note she said they would be sorry for what they had done to her and had said about her. Bitter words of abuse from her estranged sweetheart she said had broken her heart and she could not live, it said. Just before the end came she sat quietly on a bed in her mother's room. She placed the revolver to her head and pulled the trigger. The body lurched forward and she was found lying face down on the floor, the note held tightly in her left hand.

She had sat up late Sunday night to write the notes. One was sent to her girl friend who had played a part in the estrangement of her sweetheart whom she had asked to come to see her on Sunday night. Request for early burial was made to her parents in a note to them.

She told of unsuccessful efforts to bring her girl friend and her sweetheart together for a talk over matters involved in the breach.

She was the daughter of Mr and Mrs. Steve Salach who reside in the North Elm community. Funeral services were held Tuesday with burial in Bell county.

Vets Pay Cut Deep

By L. VAN PERKINS

A summary of the new rates effective under the new law affecting all veterans has been received. The text of this new order was made public last week and represents the second step in the President's program for reduction in government expenses. The first step was to effect a 15 per cent pay cut for government employees. Summary of the new order affecting veterans and beneficiaries is as follows:

1. Estimated annual saving to the government of approximately $450,000,000.

2. Revised monthly rates for war time or service connected disabilities are: 10 per cent disabled, $8.00; 25 per cent, $20.00; 50 per cent, $40.00; 75 per cent, $60.00; 100 per cent $80.00.

3. For those persons who have lost one foot, hand or eye the prescribed rate is increased by $20 per month.

4. For those blind, $150.00 per month, blind in both eyes and loss of foot or hand or both $250.00.

5. For dependents the new rate gives widows $30.00, widow and child $40.00, with $6.00 additional

Vaccination Against Rabies Ordered For All Cameron Dogs

Vaccination for all dogs in the City of Cameron under authority of an ordinance in effect for number of years, has been ordered by Mayor Smith directing Dr. G. E. Sutton, city sanitary officer and veterinarian to proceed at once to enforce the ordinance.

Thursday, April 13 is the last date given dog owners and Dr. Sutton has announced that he will vaccinate dogs for 75c each if brought to his office on Friday and Saturday of this week.

Prevalence of rabies among dogs has caused the city authorities to begin early this year. City Marshal Luther Roberts will take up all dogs not vaccinated Thursday, April 13.

SCHOOL PATRONS WILL BE TOLD OF CRISIS

Patrons of schools and all those interested in public education in Milam county will be told of the financial crisis that threatens the administration in a series of meetings to be held.

Members of the County Board of Education in session here Monday morning arranged meetings over the county. Speakers will tell the taxpayers and the parents of students the story of threatened dissolution of schools unless the revenues of the state government for education can be revived.

Many schools are now closing short of the full term and prospects for 1934 are even more discouraging, it is said.

Averting disaster for the public schools will be frankly a part of the program at this time. Board Members present are W. A. Morrison, president and recently named by Gov. Ferguson to membership on the State Board of Education; T. A. Fisher, Cameron; B. R. Thompson, Sharpe; E. B. Phillips, Rockdale; and Paul Fuchs.

The following meeting dates have been announced:

Sharp, Thursday, April 6; Thorndale, Friday, April 7; Buckholts, Saturday, April 8; Milano, Monday, April 10; Maysfield, Tuesday, April 11; Ben Arnold, Wednesday, April 12; Briary, Thursday, April 13.

MRS. MARY THOMPSON BURIED LITTLE RIVER

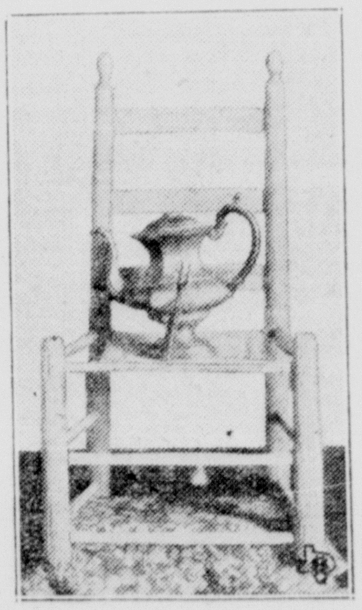
The body of Mrs. Mary Thompson age 79, who died suddenly at the home of her son, Earnest Foreman, in Dallas Monday, was brought to Cameron Tuesday for burial at Little River cemetery.

The body was received here over the Santa Fe by Green Brothers undertakers, and was held in the local parlors until the funeral hour, at 10 o'clock. At the Little River Baptist church services were held by Rev. George McClellen of Fort Worth, pastor of the church. Interment was made in Little River cemetery.

Mrs. Thompson was an aunt of Mrs. C. W. Tyson and a great aunt of Mrs. Guy T. Newton of Cameron. She had been a resident of Texas since childhood.

There will follow in the next issue a more complete account of this pioneer woman.

Hero's Chair



The articles in this picture were property of David Crockett, one of the greatest heroes of Texas independence. The chair is 125 years old, and was brought to Texas from Tennessee on the side of a covered wagon by Colonel Crockett's widow. It is now the property of his granddaughter, Mrs. T. H. Hiner, of Grandbury. The fork and teapot were acquired by Colonel Crockett while he represented West Tennessee in Congress in 1832. The missing prong of the fork was removed and used as an awl for making shoes during the Civil war.

WARNER BAXTER
who is playing his greatest role in the "show within a show" in "42nd Street."

Milam Theater Will Present "42nd Street"

Warner Baxter is right at home in his role as stage dierctor in the mammoth Warner Bros. spectacle, "42nd Street," a dramatic picture of backstage theatrical life, which opens at the Milam Theatre on Sunday, Monday and Tuesday, April 23, 24 and 25, for he once acted in this capacity.

It was some years ago, after he had considerable stage experience, that he was playing in stock in Dallas. The director became ill and Baxter was put in his place. He continued in this work for some months before he appeared before the footlights personally.

In "42nd Street," in the role of Julian Marsh, he drills a great chorus of musical comedy players from the inception of the piece to its opening night. The rehearsal of the musical comedy is a show within the main theme of the picture, which is based on Bradford Ropes' novel of the 42nd Street theatrical district.

The picture carries an all star cast which includes, besides Mr. Baxter, Bebe Daniels, George Brent, Una Merkel, Ruby Keeler, Guy Kibbee, Ned Sparks, Dick Powell, Ginger Rogers and Allen Jenkens. It was adapted for the screen by Rian James and James Seymour, and directed by Lloyd Bacon.

The dance numbers and ensembles of the revue were created and staged by Busby Berkley, the famous New York director, and the song numbers were written especially for the piece by Al Dubin and Harry Warren, Broadway song writers.

The Public Is Hereby Notified That

Fire policies numbers 397051, 397052, D-95460, D-95461 and D-95462 of the E. L. Kahler Agency, Cameron, Texas, agent for the Svea Fire and Life Insurance Company have been LOST, MISLAID or STOLEN, under which circumstances their issue being unauthorized, said policies are null and void.

The holder of these policies will please return them to the offices of the Company at 4120 San Jacinto Street, Dallas Texas, and should there by any return premium be involved it will be promptly paid. In case of loss claimed by any person or persons as holders of these policies, the Company will deny any or all liability thereunder.

TRIAL DATE SET

Isidor Martinez, Mexican, charged with the murder of Marasilino Saceada, another Mexican, near Maysfield on the Yager farm, is set for April 24. A venire of 50 men has been ordered in which to select a jury. The court appointed E. A. Wallace to represent Martinez.

The shooting occured at the home of Saceada, where they were having a dance and celebrating the marriage of his dughter. Two other Mexicans were injured, Blas Equivel and Sam Hernandez.

Black Belt Drunk Slayer Must Spend Life Behind Texas Prison Walls

George Williams, 40, negro, must spend the remainder of his life behind the gray walls of Huntsville state prison for the murder of his common law wife, Lena Jones, 23, and her brother, Louis Jones, 21, in Cameron's black belt on the night of February 20, 1933.

A plea of guilty was entered in District court Monday by the negro through his attorneys to both charges of murder. He got life for killing the woman and five years for killing her brother. He sat bewildered and speechless before the court and gave his life without protest for the crime. The jury went through the formalities of trial. Attorneys who defended Williams were appointed by the court. Williams uttered no word nor testified. His confession was introduced in evidence by Criminal District Attorney S. M. Burns.

As is customary in such cases where a black man is tried for murder on admission of guilt, little time was consumed in the selection of the jury. The entire trial consumed less than half a day.

The confession introduced by Mr. Burns was a recital by Williams of his deed on the bitter cold night of February 20. The negro said he had purchased some liquor from a local speakeasy on the night of the murder. He had quarreled with Lena Jones. She was shot to death through the window of her home as she stood talking to her mother.

Louis Jones, before he died at a local hospital, made a statement to officers, in which he said he ran in the direction of his home when he heard the shot. Williams turned on him with the shot gun and fired. He said he was running too fast to stop and was shot down. His statement was introduced in evilence.

Attorneys Roy Baskin and B. P. Matocha sought by the testimony to prove Williams mentally deficient.

On the night of the murder Williams was found at his home heavy with liquor and placed under arrest by Deputy Sheriff Will Vaughn and Deputy City Marshal Joe Richter. The next day he made a confession.

BAKERY WILL OPEN IN CAMERON ON SATURDAY

A New Deal for Cameron in the baking industry was announced here Wednesday by Harry Tag, who will open on Saturday of this week the bakery formerly operated by the Posey interests.

Mr. Tag left the city Wednesday night for Houston to make purchases of necessary equipment and close details of a contract with bakers to cook bread and pastries. The firm is to be known as the Cameron Maid Baking Company.

Simultaneous with the announcement of Mr. Tag it was known merchants and bread consumers were preparing to give the new local industry every possible support. Mr. Tag guarantees to produce the same quality products available in the larger cities and merits the patronage of the people because of better bread plus the claim of home industry.

The bakery will open Saturday. Mr. Tag was born and reared in Cameron and for a number of years was with The Herald plant in the publication of this newspaper. He has many friends here who will be interested in his business venture and will wish for him success and are hopeful Cameron will give whole hearted support to a much needed industry.

DISTRICT CHAIRMAN IN APPEAL TO DEMOCRATS

Hillsboro, Texas, April 5—Burris C. Jackson, Chairman of the Democratic Executive Committee of the Sixth Congressional District, issued an appeal today to every Democrat in the district to respond in some manner to the call of the National Committee to wipe out the party deficit.

The district comprises of the following counties: Hill, Navarro, Freestone, Leon, Madison, Milam, Robertson and Brazos.

Mr. Jackson directed the Roosevelt-Garner campaign in the Sixth District. It is said this district, considering population and size of cities, made the best record of any district in Texas. A very active and vigorous campaign was conducted by the committee headquarters established in Hillsboro.

A quota has been set to get the party out of the red based on ten cents for each Democratic voter in the general election on November 8th, 1932, when Roosevelt and Garner emerged victorious. In other words for each one thousand votes cast for the Democratic nominees the county will be asked for $100.00.

"It is to be hoped that each democrat will feel they can give at least a dime," Mr. Jackson stated. "At any rate, this should be the average."

Stanton E. Dossett, member of the District Campaign Committee, and J. B. White, Chairman of the Milam county Campaign Committee, have organized for the canvas and committeemen in precincts have been asked to report not later than April 15.

All funds subscribed in Milam county should be sent to Mr. Dossett at Cameron or if desired may be sent to Mr. Jackson at Hillsboro or to the National Headquarters.

Dozen Eggs Sold By Carrier For Stamps For Rural Patron

Archie McLerran, rural mail carrier, found a dozen eggs in a mail box this week. Two letters were placed beside the eggs without stamps.

Mr. McLerran to accomodate his mail route patron, took the eggs to Jones Prairie, sold them for 6 cents and bought stamps for the letters.

Despite the depression, a way may always be found to surmount difficulties.

Foreign War Veteran Is Named On Staff

H. B. McClellen, tax assessor of Milam county, has been notified of his appointment as Deputy Chief of Staff for this district, for veterans of foreign wars.

As deputy chief of Staff he will have supervision of Posts in three counties, Milam, Falls and McLennan. He is member of Post No. 2148 in Waco. The certificate of appointment is signed by Earl R. Clements, Commander of Texas.

Akron, Giant Dirigible is Ocean Death Trap for 73

The Akron, largest dreadnaught of the air ever sent aloft by man, fell into the sea Tuesday off the Atlantic coast of New Jersey and 71 of the 76 officers and men of its crew are missing.

The mighty dirigible was forced down by a storm and demolished when it struck the waves of the ocean carrying to death its cargo of human life, one among them, Admiral William A. Moffat, chief of naval aeronautics.

The story of the disaster was related as follows by Lieut. Commander H. V. Wiley, one of the survivors:

First Sight of Storm

"Sighted thunderstorm about 30 miles south of Philadelphia about two zero four five (8:45 p. m.) and proceeded on east and northeast course. Light night, mostly to south. Ground obscured by fog. Ship in good static condition. Approximately 5000 pounds. Heat heavy. In vicinity of shore at 10 o'clock.

"Surrounded by lightning at light (presumably Barnegat light). Night atmosphere not very turbulent. Ran east course until about 23:00 (11 p. m.), then crosed to west at 24:00 (midnight). Sighted light on ground and changed course to 130 degrees. Ship began to descend rapidly from flying altitude, 16,000 feet. Dropped ballast. Became entirely surrounded by lightening.

"About 003 (12:03 a. m.) ship began to descend rapidly from flying altitude, 1600 feet, dropped ballast forward and regained altitude.

"Three minutes later, seemed to be

BOY SCOUT TROOP IS THANKFUL TO PRESS

A resolution thanking the Cameron newspapers for their publicity efforts to benefit the organization, has been adopted by Troop 52 of the Boy Scouts, of which Joe Lindle is scoutmaster, as follows:

Cameron, Texas, Apr. 3, 1933.

WHEREAS, by means of the newspapers, the affairs of any city, or movement worthwhile are brought before the community, and the country at large, and the public press is a contributing factor to the community welfare of the country; and

WHEREAS, the Boy Scout movement represents an era of moral force that leads to citizenship training, and welfare of the community, and city, and,

WHEREAS, the Cameron Herald and the Cameron Enterprise have given considerable space to scouting and especially the scout news of Troop 52 of Cameron, and

WHEREAS, we believe that such service so generously rendered should receive recognition; therefore

BE IT RESOLVED, by Troop 52, Boy Scouts of America, in regular meeting assembled, that being mindful of the excellent service rendered by these publications; and being sensible of the co-operation rendered by these editors, Mr. J. B. White and Mr. Ben Reichert, we do express our true appreciation to these publications and their publishers.

Ma Ferguson Signs Bill To Reduce The Cost of Officials

Austin, April 1—Gov. Miriam A. Ferguson today signed the judiciary appropriation bill, the only one of the four major money bills passed so far by the Texas legislature.

The bill carried appropriations for the next two years which were 31 per cent less than the allotments to the judiciary for the current biennium.

The law appropriates $3,912,674 for the support of the judiciary during the biennium beginning next September 1.

Salaries of all judges will be reduced. District judges will receive $4,000 annually instead of $5000, judges of the supreme court and court of criminal appeals will be cut from $8000 to $6000 and judges of courts of civil appeals reduced from $7000 to $5160.

WOMEN: watch your **BOWELS**

What should women do to keep their bowels moving freely? A doctor should know the answer. That is why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles.

It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other harmless ingredients.

When you've a sick headache, can't eat, are bilious or sluggish; and at the times when you are most apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles), and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!

TROOP NO. 52
J. A. Lindle, Scoutmaster

Troop No. 52 held its regular meeting Friday night, March 31, with an attendance of 13 scouts, 7 visitors, 2 committeemen, scoutmaster and assistant. The meeting was opened by a song led by scout Paul Michalka. At the business part of the meeting plans for an over night hike were discussed for Saturday night. After that a patrol track meet was held between patrols. The final score was X patrol 11 and Fox Patrol 7, Longhorns 18.

Saturday evening Troop 52 went on an all night hike to Little River. No swimming was allowed but the boys all had a good time. Saturday night the boys were entertained by scouts Paul Michalka and Ted Matula. Also songs were sung around a big camp fire. Saturday evening a big ball game took place between chosen sides. After the ball game the hike was ended and all the boys went home.

BANQUET HONORING X PATROL

Last Thursday evening the X Patrol was entertained with a banquet given by the scoutmaster and the troop committeemen at the Knights of Columbus Hall. This was the award for the patrol contest that was won by the X patrol. The Easter spirit was predominant, the table being decorated with Easter lillies and the place cards arranged as Easter greetings. A delicious plate was served of baked chicken, dressing, English peas, salad, cranberry sauce and pickles. This was followed by homemade ice cream and cake. Coca Cola in bottles was served as the drink.

The guests of honor for the occasion were Eagle scout Robert Hensley, the leader and assistant of the Foxes, the losing patrol, and District Judge Graham Gillis. The others in attendance were the scoutmaster and assistant scoutmaster, the Senior Patrol leader, C. W. Gjedde; the troop committee, the Grand Knight of the K. of C., R. A. Michalka; and Dr. A. S. Valenta, and the entire membership of the X patrol. Total attendance was 22.

The table was served by Mrs. J. A. Lindle, Miss Virginia Lindle, Mrs. Rudolph Richter, Miss Mary Richter and Mrs. Dr. Valenta.

The entertainment features of the evening were conducted by Paul Michalka, leader of the X Patrol, serving as toastmaster. The theme song of Troop No. 52 was sung followed by "The Eyes of Boy Scouts." The first speaker introduced was the scoutmaster who made the keynote speech of the occasion, touching on the aims and purposes of the contest and the results as he saw them. He also paid high tribute to those who were not there—the boys of the losing patrol. It was interesting to note that 138 advancement tests were passed during the three months duration of the contest.

The principal address of the evening was made by Judge Gillis who in his own delightful way, spoke on scouting in general, the relation of the members of Troop No. 52 to the troop, to the organization, and the community, touching on the lives of Columbus, Washington, Lee, Crockett and others, and their relation to the principles of scouting and the necessity of leadership. Troop 52 is always glad and consider it an honor to have Judge Gillis present at its affairs. Speeches were also made by the troop committeemen, the Grand Knight the Junior leaders and Assistant scoutmaster. Mrs. Lindle was also introduced by the toastmaster as the unknown assistant scoutmaster, and Mrs. Richter. They both made very pleasing responses.

The banquet was closed with the song "Scouting Souvenirs" led by the toastmaster an dthe scout oath and law led by Judge Gillis.

The entire program was thoroughly enjoyed by all who were present. The scoutmaster especially wishes to thank all those who donated eats for the occasion.

HOUESHOLD HINTS

BY BETTY WEBSTER

Here are a few rules for successful cake baking.

When you once make a successful cake then

Use same recipe.

Use recipe accurately.

Use same brands of ingredients.

And last but not least, do not take too long mixing the ingredients. In order to do this have everything ready beforehand so that materials can be blended rapidly.

House Cleaning Hints

When painting or washing mouldings, hold a heavy piece of cardboard under the moulding so that the paint or water that drops from brush or rag will not splatter on the wall.

Apartment Sewing Hints

When it is necessary to use your dining room table to cut on you will find it practical to keep your asbestos pad or silence cloth on the table while cutting. This will keep the top of your table from being scratched or marred.

COOKING HINTS

Asparagus Short Cake

Method:

Cook asparagus.

Make your favorite biscuit recipe.

Make a white sauce.

Cook several eggs hard boiled.

Then when ready to serve split and butter the biscuits or large shortcake.

Lay asparagus between halves.

Mix white of egg in white sauce.

Pour white sauce over asparagus and biscuit. Top with the powdered yolk of egg.

Angel Cake Desserts

1. Method:

Cut angel cake in slices.

One slice to each plate.

Cover each slice with whipped cream.

Place a half of a canned peach in the center of each piece. Turn down—having filled it with chopped dates.

This is different and pretty and resembles a poached egg.

2. Take any fresh fruit. Cut up a little (no not crush). Mix well with whipped cream. Sweeten. Fill the center of angel food cake with this mixture. Place in ice box and chill. Serve on a platter and top with whipped cream and pieces of fruit.

3. Cut angel food in squares. Cover with frosting made of powdered sugar. Roll in chopped pecans.

BAKING HINTS

Oat Meal Kisses

1 cup rolled oats.

1-2 cup of shredded cocoanut.

Little salt.

1-2 cup brown sugar.

1 egg, beaten.

Flavoring.

1-2 tablespoon of melted butter.

Method: Mix in order given. Bake big teaspoonfuls on a greased and floured cookie pan.

Baked With Rice Cheese

This is nice to serve at a simple luncheon as an accompaniment to a salad.

1 cup of rice.

Salt.

Butter.

Cheese

Seasonings.

Milk.

Method: Steam rice. Grease a baking dish. Put in a layer of cooked rice. Then season and cover with pieces of butter and cheese. Alternate until dish is nearly full. Pour over milk to two-thirds depth of the dish. Dot top with butter and cheese and bake until rice is thoroughly hot and cheese is melted.

HEIFER HAS NO NECK

Abilene, March 31—A heifer without a neck, but three years old and normal in every other way, is on display at the zoo here and her owners are anxiously awaiting the arrival of a calf due to be born in June. The heifer is unable to turn her head.

The Road To Better Health

BY DR. WILLIAM J. SCHOLES

PREVENTING SCARLET FEVER

During the last three years there were in round figures 350,000 cases of Scarlet fever in the registration area of the United States. Inasmuch as the general mortality rate is 12 to 14 per cent, it may be assumed that the disease killed nearly 50,000 children during those years.

Now, however there is apparent promise of the early conquest of scarlet fever, as a result of the findings of Dick and Dick. According to their report, published in the Journal of the American Medical Association, they were able to produce scarlet fever experimentally by inoculating volunteers with certain streptococci. Working along much the same lines pursued by the developers of diphtheria antitoxin, they next produced an antitoxin for scarlet fever from horses by repeatedly injecting the animal with the toxin of the scarlet fever streptococci. The anti-toxic serum so obtained is then refined and concentrated to increase its potency and minimize the number and severity of serum reactions.

The developers of the scarlet fever antotoxin claim that active immunity was present within two weeks after the last dose of the toxin. It is still too early to say how long this immunity will persist, as the method has been employed less than two years. But persons immuned one and a half years ago were still immune at this writing. Whether this immunity will be permanent, as in diphtheria, only time can tell.

Recently Dr. Larson of Minneapolis devised a method of vaccination against scarlet fever which is supposed to be an improvement over other methods. He grows a culture of the streptococcus of scarlet fever, obtains from it the toxin it generates. This he neutralizes with a weak solution of castor oil soap in water, and injects the mixture.

AGAIN?

An old, old story is reiterated in the present disturbance in and about Germany.

Stories of atrocities have emanated since the accession of the new government to power.

They are being vigorously denied by responsible German statesmen and leaders, who compare the reports to the vicious propaganda engendered against Germany during the world war.

The absurdity of many of the reports of violence against the Jews in Germany is easily apparent, and it is not hard to understand how the anti-German propaganda has grown to enormous proportions as each report has been further exaggerated.

Until the clean-cut, honest facts about the situation in Germany have been sifted out, the people of this and other nations can best keep their reprisals to themselves.

The propaganda which was dished out in this country during the war in the interest of stirring up patriotic response to the calls of war possibly was the most bloody and brutal ever conceived for such purpose.

In the flag- waving enthusiasm of the emergency, the American people were taught to believe every sort of vicious crime against their neighbors who fought on the other side.

Men were whipped into line of march by gruesome stories of the wanton and bloody acts of German and Austrian soldiers. Women were incited to international hatred by the sensational pamphlets of the bureau of public information.

More lies were told during that campaign of hatred than the world ever has seen in print before and probably ever see.

It was a part of the national strategy of battle. But the seeds that were sown under the authority of the United States government during that period still smoulder in the hearts of many people, a barrier today against international good will and understanding.

The propaganda of the war is a blot upon America's record. No war justifies the disfigurement of truth, the enthronement of lies, the manufacture of hatred and distrust.

In this present situation in Europe, may only the facts prevail, in the interest of peace and international good will.—Temple Telegram.

PROMINENT WATSON BRANCH FARMER LAID TO REST LAST FRIDAY

W. I. Bownds, a prominent and highly respected farmer of the Watson Branch community, passed away at his home last Thursday following a short illness. Interment took place on Friday afternoon with a large concourse of relative sand friends in attendance upon the services. Mr. Bownds was well and favorably known i nThorndale and for a number of years was identified with business interests here. He enjoyed the confidence and highest esteem of all who knew him and his passing is a source of general regret by our entire citizenship. He was a pioneer citizen of Milam county, and a conscientious christian gentleman, a community leader and worker.

Oscar Schiller, Miss Mattie Kinard and Mr. and Mrs. John Ownsby and family spent Sunday in Waco and enjoyed a midday dinner at Cameron Park.

Get Real Relief From *Monthly Pains*

SEVERE monthly suffering is a sign of warning.

If you are having aches and pains every month, heed the WARNING. See what is wrong.

Treat the CAUSE of the trouble.

When womanly aches and pains are due to a weak, run-down condition, take CARDUI. It has been used by women for over 50 years. It is a purely vegetable medicine and it cannot harm you. Thousands of women have said that when they had built up their strength with the help of Cardui, real relief was obtained and their general health and feeling of well-being improved.

If you suffer this way, try Cardui, which you can get at the drug store.

AKRON

(Continued from page 1)

in center of storm. Ship began to shift about violently. Called all hands. Ship commenced to descend stern inclined downward.

"Dropped ballast. Rudder control carried away. Descent continued to water. Ship demolished upon impact.

"In lightning flash saw many men swimming. Wreckage drifted rapidly away. Discipline in control car perfect.

(Signed) "WILEY."

In a press interview this afternoon Lieut. Commander Wiley said that about 10 o'clock after the Akron left the Jersey coast, the storm was general all around the ship.

Not Struck by Lightning

"I don't think the ship was struck by lightning," he said, "as there was no indication of this at any time, although there was plenty of lightning around us.

"We continued east for about an hour and then reversed the course. When we reached land again we saw lights and identified the shore line. This was about midnight. The course was changed to southeast. About half an hour later the ship began to descend rapidly from 1,600 feet. I dropped all the ballast forward. The fall was stopped at about 800 feet. We rose rapidly and leveled off again at 1,500 feet.

"While we were falling, the engines were pushed to full speed. After we gained our altitude again they were changed to standard speed. Three minutes later the air became turbulent all around us and the ship tossed violently.

In Center of Storm

"I knew we were near the center of the storm, because air in the center is most turbulent. I called all hands to the landing stations so as to have all of them available and not in their bunks.

"The ship took a sharp lurch and the rudder control wires of the upper rudder were carried away. I unclutched the upper rudder and tried to steer with the lower rudder

"I was on the right side of the control car and supervising the rudder, Captain McCord was on the left side of the car and supervising the elevator wheel. The elevator man reported the ship was falling rapidly.

"I heard a report of 800 feet By this time the nose inclined upward about twenty degrees, but the ship was falling quite rapidly. In the fog nothing outside could be seen.

Orders Stand by for Crash

"I asked for altitude and the answer was 300 feet. I ordered all hands to stand by for a crash. That order was rung up to the engine car and almost immediately we hit the water.

"We had, as I remember, a list to starboard, to my side of the control car. Water rushed in the windows on my side, carried me out the windows on the other side of the control car.

"I tried to swim away as rapidly as I could to get from under the ship, and finally came to the surface. I saw the ship drifting away as the lightning flashed. The bow was up in the air and the whole structure was a general wreck.

"I saw two lights on what I thought was the stern. On one side I saw the lights of a ship.

Bumps Into a Board

"I also thought I could see the glare of Barnegat lightship. I swam toward the ship and after about ten minutes I bumped into a board about three feet square, which I clung to the rest of the way.

"I saw several men in the water, but none very close. I did not think I could help any of them.

"I did not see any men in the water after I found the board. When I got within 400 yards of the ship, the wind changed hitting me in the face instead of behind me.

"The captain put the ship broadside. It floated toward me. I think he must have heard cries of men in the water.

"I made it easily to the ship and they threw me a life ring and hauled me aboard. They had boats out and picked up three other men. I did not see the boats until I was on board the ship."

VETERANS

(Continued from page 1)

for each child; no widow but one child $20.00, two children $30.00, 3 children $40.00. Dependant parents $15.00 each, one dependent parent $20.00, total not to exceed $75.00.

6. Requirements for non-service connected disabilities allowances, (a) 90 days service, b) entry into service prior to Nov. 11, 1918, (c) Honorable discharge, (d) the existence of a permanent and total disability, (e) the disability must not be the result of the person's own misconduct. The rate of pension for those permanently and totally disabled will be $20.00 per month. A pension of $6.00 per month to those Spanish-American war veterans over the age of 62 is granted.

7. Payments of compensation to widows and children of Spanish-American War veterans is cut 50 per cent.

8. Emergency officers must directly connect their disabilities to service or they will be removed from the occupation rolls. It is estimated that this provision will remove approximately 6000 emergency officers from the compensation rolls.

9. All federal employees receiving compensation will be removed from the rolls unless their disabilities are actual combat disabilities.

10. Straight ten per cent cut in pensions of Civil and Indian War pensions.

11. Hospital treatment will be provided for veterans suffering from actual service connected disabilities or diseases, veterans who have had 90 days service and who may be suffering from tuberculosis or neuropsychiatric ailments of a non-service origin, and who are not able to furnish their own medical treatment may be admitted to Veteran Administration hospitals. Hospital or domiciliary care for non-service connected temporary conditions is no longer authorized.

12. The authorization of $75.00 for the burial expense of a deceased World War veteran.

13. The presumptive clause to Jan. 1, 1925 relating to many diseases has now been cut to one year after date of discharge.

14. All claims under total permanent disability clause in War Risk Insurance are terminated unless the suit has actually been filed in Federal Court.

Putting into effect these new regulations will affect approximately 500 veterans and their dependents in Milam county. It will remove approximately $10,000.00 in cash from the trade chanels of this county, in the form of compensation checks received monthly by those compensated veterans. It is estimated that approximately 300 veterans in Milam county will be removed completely from the compensation rolls. Many people have been led to believe that the passage of this bill would reduce the taxes on their lands and their homes. As a matter of fact, this legislation, which is now the law, will not reduce the taxes on the property in a single county in the United States by a single penny, but on the other hand it will take millions of dollars from the disabled veterans and their widows and children in every state, and will throw many hundreds of them onto the taxpayers of their respective counties and communities.

It has been charged that there are many men drawing compensation who should not be on the rolls. No doubt this is true, but that is the result of the administration by the very bureau to which this stupendous proposition has been turned over, and which has been granted arbitrary and dictatorial powers, without any right of appeal.

This drive against the veteran has been going on for some time by the so called National Economy League, a Wall Street organization financed by the large income tax payers of the country. These large taxpayers will profit in the economy program at the expense of the veterans and the salaried man. When normal times begin to return these "big boys" will get in on the ground floor and will reap untold millions in income as they did during the World War, these incomes they hope to place beyond the pale of taxation and balance the budget at the expense of the salaried federal employee and the disabled veteran.

DIZZINESS
relieved by Black-Draught

"I decided to take Thedford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better — don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

IMPORTANT
TO TAX PAYERS

In compliance with the provisions of the homestead exemption amendment to the Constitution of Texas, voted in the last general election, three thousand dollars of the assessed valuation of all residence homesteads, as now defined by law, will be exempt from all taxation for state purposes, effective this year.

In order, however, to have your home so exempted it will be necessary to render it. This should be done before April 30th as on that date, time for taking assessments expires.

There is one other outstanding advantage in making a tax rendition this year. Another amendment adopted in the last general election restricts all voting in bond elections, and other elections that have to do with the expenditure of public funds, to persons who have rendered property for taxation. Unless you render some such property, you are henceforth disfranchised as a voter in such elections.

If the above is taken into consideration and acted upon, it will obviate misunderstandings and mistakes in voting and in paying your taxes.

Yours respectfully,

H. B. McCLELLEN
Tax Assessor, Milam County.

Probe Killing of Rockdale Citizen

The mysterious circumstances surrounding the death of Finis G. Catchings, 24, of Rockdale, who was shot and killed about 8 o'clock last Friday night at Calvert, ars being closely investigated, according to the district attorney of Robertson county, who was in Rockdale Wednesday. The details of the shooting remain somewhat of a mystery, and will probably not be known until the Robertson county grand jury completes an investigation, it is said.

It is alleged that Catchings was shot by a Mexican; that a second Mexican was involved in the affray, and that one of these Mexicans was shot through the shoulder. W. C. Colvin, Rockdale constable, who investigated the killing reports that Robertson county officers have made an arrest.

According to Colvin the combination grocery store and filling station where the shooting occurred is located about half a mile from Calvert, and that when officers arrived on the scene Catchings' body was found about 30 yards from the station, while his car was parked a couple of hundred yards further down the road. The dead man's body was lying in a roadside ditch almost covered with water from a heavy rain that had just fallen. A bullet wound through the chest and a three inch gash on the forehead were the only wounds. Death was due to the bullet wound.

News of the shooting reached Rockdale about 10 o'clock and E. B Phillips, undertaker, went to Calvert and brought the body back after midnight.

Funeral services were conducted Sunday afternoon at the home of Catchings' mother, Mrs. C. W. Catchings.—Rockdale Reporter.

ROCKDALE MAN SHOT AND KILLED; MEXICAN HURT

Finis Catchings, about 25, of Rockdale was shot and killed and Frank Remaniz was shot through the shoulder at a filling station operated by Mexicans Frday night.

Charley Remaniz, brother of the wounded Mexican, said that he shot Catchings when the latter attempted to hold up the place.

Charley's story was that while he and five other Mexicans were seated in the filling station Catchings appeared at the door with a towel tied over the lower part of his face and a pistol in his hand. He took about $4 out of the cash register and started to back out, when Frank moved and Catchings shot him through the arm. Charley then grabbed a pistol from under the counter, an dbegan shooting at Catchings, who rethrned his fire. Each shot several times and in the melee the Mexican struck Catshings on the forehead with his pistol. After the shooting the Mexicans called officers, who found the visitor about 25 yards from the filling station in a ditch of water dead from a bullet wound through the chest.

The Mexican is held under bond for investigation by the grand jury.

Catchings was identified by a gas company notice found in his pocket, and the body was carried to Rockdale Friday night.—Calvert Tribune.

Scene After Negro Rapist Is Shot

An excited crowd milled around the jail yard, occassionally threatening to take the body of the dead negro from the sheriff and burn it, as well as to lynch the other negro held in jail in connection with an attack on Miss Adele Torian, former Rice Institute student, and the killing of her companion, W. W. Porch.

Restrictions Removed on Prescription Liquor

Washington, March 31—The Celler-Copeland medicinal liquor bill removing restrictions on prescriptions by physicians was passed today by the house. It now goes to the White House, having passed the senate yesterday.

The standing house vote on passage was 153 to 59.

Representative Blanton (D., Texas) a prohibitionist was the only member to speak against the measure, which was passed by the house in the last session.

Texas Bloody State

Dallas, April 1—Homicides during the first quarter of 1933 claimed the lives of 85 Texans, a list compiled from news dispatches showed today.

There may have been other homicides committed in Texas during this period, but those listed involved persons or methods of slaying which led to the names being listed in news reports.

Forty seven of the slayings took place in January. Nineteen were committed in each of the other two months of the quarter. The number for the same period in 1932 was 88. Firearms were used in a majority of the cases reported.

How Black-Draught Holds its Popularity

A LAXATIVE made from highly approved, medicinal plants — yet about the least expensive laxative you can find: Thedford's Black-Draught.

There's no expensive container for you to buy when you ask your dealer for Black-Draught. And its light weight has saved freight bills in your favor. Black-Draught is right with you in economy. It brings prompt, refreshing relief to sufferers from constipation troubles.

Don't put up with sick headache, sluggishness, gas, dizziness, bad taste in the mouth, billiousness, coated tongue, bad breath, distress after meals, when due to constipation, but take Thedford's Black-Draught.

STOPS a Headache

There seems to be no safer way to end a headache—and there certainly is no *safer* way—than two tablets of Bayer Aspirin.

You've heard doctors say Bayer Aspirin is *safe*. If you've tried it, you know it's *effective*. You could take these tablets every day in the year without any ill effects. And every time you take them, you get the desired relief.

Stick to Bayer Aspirin. It's safe. It gets results. Quick relief from headaches, colds, or other sudden discomfort.

Tornado Kills 14 and Injures Many Hundreds in Texas

This photograph shows all that is left of the home of Mr. and Mrs. Jessie Vails near Shelbyville, ten miles South of Center, Texas. Mrs. Vails, an expectant mother, was killed and the leg of one of her children was broken. Hundreds of photographs showing scenes almost similar to this have been received and it was difficult to decide which ones to use. Six persons were killed near the above scene.

This photograph shows the ruins of the home of Mrs. M. K. Vails near Center. Three members of the family were injured.

VETERANS GET CUT IN GOVERNMENT ECONOMY

Washington, April 1—President Roosevent today ordered reductions in veterans' allowance totaling approximately $400,000,000.

Using the extraordinary power vested in him by the economy act, the chief executive shortly after 1:30 p. m. signed the order drafted by Lewis Douglas, director of the budget, and Frank T. Hines, veteran's administrator, who were present when he signed.

The reduced rates are effective July 1.

Presidential Statement

Making public the lowered schedules of allowance, the president issued the following statement:

"In connection with the publication today of the regulations having to do with the veterans' benefits, I do not want any veteran to feel that he and his comrades are being singled out to make sacrifices.

"On the contrary, I want them to know that the regulations issued are but an intregal part of our economy program embracing every department and agency of the government to which every employee is making his or her contribution.

"I ask them to appreciate that not only does their welfare but also the welfare of every American citizen depend upon the maintenance of the credit of their government and that they also bear in mind that every citizen in every walk of life is being called upon, directly or otherwise, to share in this."

Estimates of the Saving

Hines and Douglas, in a summary of the new regulations, estimated the savings at $400,000,000.

"While it is appreciated that many thousands will be adversely affected," they stated, "no estimate as to exact numbers can be given until the reviews authorized have been accomplished.

"It can be said, however, that all men who acquired their disabilities in the military or naval service and the dependants of those who die from such disabilities are adequately cared for.

"Also that the more seriously disabled war veterans are entitled either to a pension or hospital of domiciliary care."

The new regulations contain almost 30 printed pages. The Hines-Douglas summary disclosed that the rates to be paid for wartime disabilities are: for 10 per cent $8 monthly; 25 per cent, $20; 50 per cent, $40; 75 per cent, $60; and 100 per cent $80.

No More Hospitals

Frank T. Hines, veterans' administrator, said today that veterans' hospitals authorized by congress but on which work had not started, would not be built unless it was shown that the need for them was imperative.

He told reporters this policy applied also to additions to hospitals authorized, but that structures nearing completion would be finished.

He said each construction project would be considered on its merit, but that as a general policy new buildings would not be erected unless vitally needed.

MASS GRADUATION FOR RURAL SEVENTH GRADES

Graduation exercises for pupils of the 7th grade in rural schools of Milam county will be held in Cameron on or about May 15, it was announced by Mrs. Kathryn Robbins, county superintendent of public schools.

These exercises are arranged in co-operation with a uniform plan of mass graduation of students at a meeting held in Cameron Saturday morning. Seventh grade teachers and principals of rural schools attended the meeting.

Mass graduation has been arranged in the interest of time and economy. Instead of each rural school holding exercises on separate dates, all pupils making satisfactory grades will be graduated in one program arranged in the Cameron high school auditorium in early May, the exact date to be announced later.

Due to shortage of funds schools will close short of the usual period this year. Every class room hour will be utilized for instruction. A number of schools will graduate their students, under this arrangement several weeks after the term is closed.

Girl graduates are requested to wear simple white cotton dresses and the boys will wear white shirts and dark trousers.

Winners In Three-R Contest Announced

Miss Mildred Ward won first place in the Three-R contest, a part of the Interscholastic League Meet. Tilly Tomascek of Corinth won second place and Edna Newman of Detmold was third.

The contest is for excellence in classroom work and embraces Reading, Writing and Arithmetic. Only students of one and two teacher schools are eligible.

According to Mrs. Kathryn Robbins, county superintendent, the pupils made splendid showings for their schools and hopes are held that more schools will enter next year.

Helped By Cardui

Here's the true story of how Cardui helped Mrs. H. E. Dunaway, of McComb, Miss., as written by herself:

"I was sick and rather discouraged. I was so weak and thin, I was not able to do my work as it should be done. This made me fret a good deal, and did not help my condition.

"I had pains across my back and lower part of my body. My nights were spent in rolling from one side of the bed to the other, hoping I would soon go to sleep. Then when morning would come, I would be just as tired as when I went to bed. A neighbor, seeing how badly I felt, told me to try Cardui. After I had taken one bottle, I was much better. I kept on taking Cardui, and I was stronger and slept much better at night."

Salaries of District Judges Are Slashed

Austin, March 30—A sharp economy axe was swung in the house today as consideration of the departmental appropriation bill was continued.

The salary of the state highway engineer was reduced to $4,000 per year. The engineer now draws $8,000 annually.

A reduction of $1,000 per year was ordered in the salary of the first assistant state highway engineer.

Efforts to abolish the state highway patrol or materially reduce the number of patrolmen were defeated.

Eight hundred dollars annually was whittled off the salary of the state superintendent of public instruction.

TUESDAY CONTRACT BRIDGE

A pretty spring motif was attractively emphasized in the decorations when Mrs. Albert Triggs entertained the Tuesday Contract Bridge Club this week.

The colorful theme chosen was noted in table covers, score cards and tally pads, and dog wood blossoms and easter lillies lent a pretty floral charm.

A delightful season was spent in games followed with the hostess serving a pretty salad plate with drink.

LATIN BANQUET FOR YOE HI LATIN STUDENTS

Latin students of Yoe Hi School enjoyed a delightful Latin banquet at the school house Friday evening. Mrs. Jake Posey, Latin teacher, directed the program. Supt. T. A. Fisher, Miss Dallie Young and Prof. Hicks were present.

Attractive hand made place cards aided the students in finding their places around the board where the following menu was served:

Arroz

Albondigas Tortillas

Polo Con Mole

Tamales

All came in Spanish costumes which made it more effective.

BAPTIST MISSIONARY

The activities of the Baptist church were well attended Monday of this week. All circles of the Missionary Society met at the church Monday, with 23 members and 1 visitor present, Mrs. Grady Cooper in charge. Mrs. N. D. Timmerman brought the devotional. Mrs Wilson Gunn spoke on the Young people's Work. All circles will meet at the church next Monday afternoon for Royal service.

The Y. W. A. met at the church with 12 members and three visitors present. Special music was given by Miss Inez Evans and Connie Strickland. Mrs. Cecil Culpepper spoke to the girls on "What Religion Means to Me." They will meet again Monday at the church at 6:15.

The Junior Royal Ambassadors under the leadership of Frederick Graves, met at the church Friday afternoon with 13 members and one visitor present. Saturday night Mr. Graves took the boys on a picnic to the river.

The Sunbeams met at the church Monday afternoon at 3 o'clock, and will meet again at the church next Monday at 3 o'clock.

BAPTIST B. & P. CIRCLE MEET

The Business & Professional Women's circle of the Baptist church held its regular meeting with Misses Helen and Katherine Flinn Monday evening with Mrs. Leona G. White leading the lesson. All members made short talks on subjects previously assigned them.

At the conclusion the hostesses served angel food cake and lemon ice, carrying out a pretty color scheme of white and yellow.

PRESBYTERIAN AUXILIARY

An interesting program was given at the Monday afternoon meeting of the Presbyterian Auxiliary. Mrs. Will Ford, the new president, presided over the session. Mrs. O. C. Acrey who was a delegate to the Presbyterial held in Austin last week, gave a splendid report on the work of the body. Mrs. John Watson, treasurer of the Presbyterial, gave a good report of the financial condition of the work.

BUSINESS WOMEN

Responding to roll call by giving their favorite mode of travel, members of the Business and Professional Women's Club made merry Tuesday evening in a special "Transportation Program," with Mrs. Lester Glass as chairman for the evening.

The president, Mrs. Lottie Bigbee presided over a short business session and turned the program over to Mrs. Glass.

Miss Iva Wilson spoke on "Texas" giving many points of interest for Texas as the largest state in the Union and its many resources and business successes. Miss Katherine Lovick gave ten reasons for helping the B. & P. W. Club to be active and stressed the point of co-operation. Miss Rose Rischar talked on how travel helps the business women in her duties, as well as in social life.

At the close of the program the hostess for the evening, Miss Delphya Scott, served a salad plate with hot tea, with center of plate graced with a novelty Easter chick, and gave corsages of sweet peas.

"Etex" Beauties

Not the least of the attractions at the East Texas Chamber of Commerce convention at Jacksonville this month will be East Texas vocal talent and the profusion of East Texas dogwood blossoms which blanket the hills at this time of the year. Shown holding an armful of the blossoms is Miss Beth Boles, Jacksonville singer and cousin of John Boles, the movie star. Miss Boles was also on the convention program at Lufkin last year. The convention dates this year are April 23, 24 and 25.

BAND CONCERT

The Cameron Municipal Band directed by Frances Cox, will appear in concert at Rockdale Thursday night in connection with a show to be given there. Friday evening of last week they gave a concert at Ben Arnold. The Band expects to attend the State Meet to be held at Mexia the 28 and 29 of this month.

DELPHIANS

A make up meeting of the Delphians was held March 30 in the home of Mrs. Niley Smith. Mrs John A. Smith was leader for the lesson. Studies in Lyric Poetry. She was assisted by Mrs. La Bertice Robinson Mrs. Walter Sharpe, Mrs. Hubert Atkinson and Mrs. Niley Smith.

The Chapter met again Tuesday April 4, at the home of Miss Rose Rischar, Mrs. Leland Green leader, Those to assist Mrs. Green were: Mrs. John A. Smith, Mrs. Frank Lesovsky, Mrs. Lena Baskin and Mrs. La Bertice Robinson. The study of the afternoon was "Study of Dramatic Poetry."

CHRISTIAN MISSIONARY SOCIETY

The ladies of the Christian Missionary Society met with Mrs. Raymond Beard Monday afternoon. Mrs. Robert Young was leader, assisted by Mesdames Jim Adams, Bert Nicholson and Guy Slocomb.

At the close of the study hour the hostess served a salad plate. They will meet in regular session next Monday afternoon.

WEDNESDAY CONTRACT BRIDGE CLUB

Mrs. Buck Bonds was hostess to the Wednesday Contract Bridge Club at her home on name date this week. A cheerful spring note was admired in the rooms given to the afternoon's diversion.

A merry tilt of games held interest for a delightful period, and at the conclusion, the hostess served a salad plate with ice drink.

INFORMAL WEEK END PARTY

Miss Dorothy Lesovsky, student at State University, was home for the week end with her parents Mr. and Mrs. Frank Lesovsky. She was accompanied by her room mate, Miss Olive Bentley of Palestine, who is a student at State. Saturday night Miss Dorothy was hostess to an open house party at the Lesovsky home, when dancing was the chief attraction. Radio music furnished peppy music for the occasion.
